KEETOWN
REALTY

COMPANY PROFILE · HYDERABAD

Real estate, *expertly managed.*

Primary and secondary sales, rentals and leasing, gated-community desks, complete property management, and relocation and office space for companies.

Connecting you to exceptional spaces.

One partner across the *property lifecycle.*

From the first launch to long-term care, Keetown brings buyers, owners, tenants, communities and companies under one trusted roof, with verified people and paperwork checked before any money moves.

1

Sales

Primary launches and resale across residential and commercial.

2

Rentals & Leasing

Qualified tenants, fast closures, clean paperwork.

3

Gated Communities

Dedicated on-site rental and resale desks.

4

Property Management

Hands-free ownership with transparent reporting.

5

For Business

Employee relocation and office space for companies.

Primary & *secondary sales.*

Two markets, one disciplined process: legal-first checks, verified buyers and every cost planned before the token.

Title & approval checks | Site visits | Home-loan support | Registration

Primary sales

For developers and first-hand buyers.

- Developer partnerships and project launches
- Curated, RERA-checked inventory
- Planned site visits
- End-to-end booking support
- Payment milestones tracked to possession

Secondary sales

For owners selling and buyers buying resale.

- Owner-side pricing guidance
- Buyer matching with verified buyers
- Legal and documentation coordination
- Support through to registration
- Every offer tracked in the client portal

Right tenant. Right rent. *Right terms.*

1

Residential rentals

- Verified tenants and owners
- Market-benchmarked rent
- Prime matches by budget and commute
- Quick move-ins

2

Commercial leasing

- Offices and retail matched to business needs
- Managed, coworking and leased floors
- Lock-in, escalation and CAM negotiated

3

Agreements & handover

- Clause-checked rental agreements
- Police verification support
- Inventory checklists with photos
- Deposit clarity at move-out

After the keys: owners and tenants share one tenancy record in the Keetown portal: rent ledger, UPI pay links, automatic reminders, receipts, and repair requests the owner sees instantly.

An exclusive desk for *your community.*

A dedicated Rental Desk and Secondary Sales Desk built around your community's rules, rhythms and residents.

RWA-aligned rules | Controlled visits | Single point of contact | Resident privacy

1

Exclusive Rental Desk

A single, community-aligned point for listing, screening and onboarding tenants, with move-in rules, deposits and parking cleared up front.

2

Exclusive Secondary Sales Desk

Managed resale of resident-owned homes with controlled, resident-friendly visits and pricing grounded in the community's own transactions.

Own it. *Don't worry about it.*

Built for Hyderabad's realities: monsoon seepage, summer water, IT-hub tenant cycles, gated-community rules, and owners who live abroad.

1

Tenant & rent

- Tenant sourcing and screening
- Rent collection and reminders
- Renewals and escalations

2

Upkeep

- Maintenance and repairs
- Vetted vendors, owner-approved quotes
- Pre- and post-monsoon checks

3

Compliance

- GHMC property tax
- Water and power bills
- Agreements and documentation

4

Reporting

- Regular owner statements
- Photo inspections
- NRI-ready records for your CA

Let

Find and hand over: benchmark, screening, agreement, move-in.

Care

Full-service management: rent, repairs, bills, inspections.

Prime NRI

Concierge for owners abroad: video walkthroughs, tax and NRO support.

Your people and your office, *settled in Hyderabad.*

For MNCs, global capability centres and startups: one partner and one company portal for every move and every office search.

Employee relocation

- Coordinator call within one working day
- Temporary stay near the office
- Employee logs in to a pre-filled plan and locks a home near the office
- Rent paid from the company's housing allowance; any excess shown upfront
- Lease, utilities, movers, schools and orientation

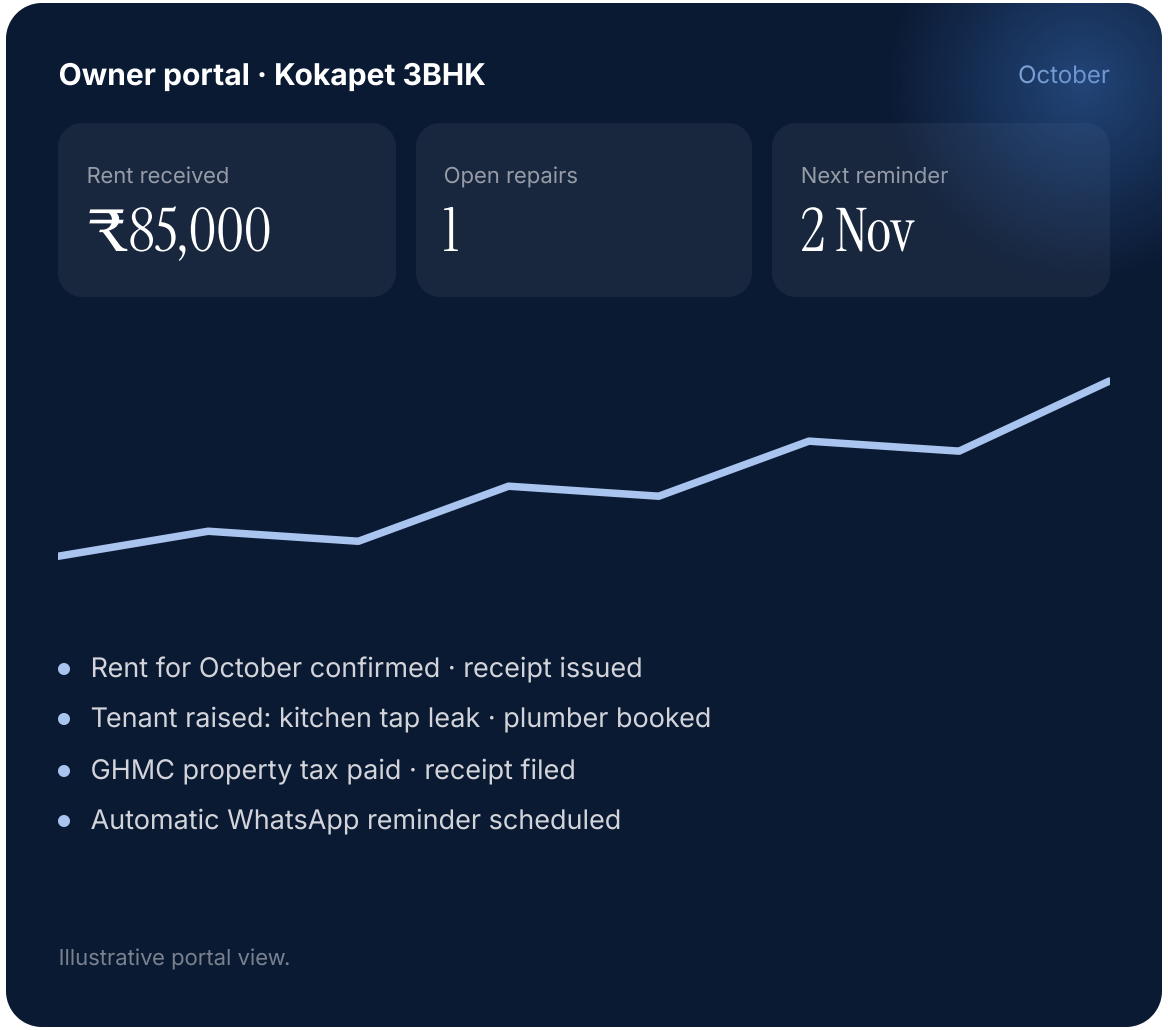

Office space

- Managed offices, coworking and leased floors
- Shortlist within three working days
- Rent, fit-out period, lock-in and CAM negotiated
- Title, OC, fire NOC and power load checked
- Lease registration and fit-out tracked to handover

Verified people. *Visible progress.*

Every client gets a portal built for their role, so nothing depends on a phone call to find out where things stand.

1. **Verified identities.** Mobile OTP login and DigiLocker verification for tenants, owners and sellers.
2. **Prime matches.** An algorithm ranks verified homes against each client's full requirement.
3. **After the deal.** Rent ledgers, reminders, receipts, repair requests and purchase milestones.
4. **Consent first.** WhatsApp and email updates only with opt-in, stop any time.
